Murray introduced this topic noting toot hat a paper had been prepared by the CD region for the conference.

Having considered this and given ongoing issues with interpretation of the eligibility regulation for those players with club memberships across more than one region a rewrite of the relevant clauses was outlined.

It was agreed that what was proposed would give clearer guidance to both players and regions and eliminate the issues that tend to arise.

Murray to draft a bulletin for distribution to clubs & regions and update the online manual.
