New Zealand Bridge Incorporated

NZ BRIDGE ORGANISATION

Clubs elect the Chairperson and Board Members using a weighted voting allocation in proportion to their Home Club membership via a postal ballot conducted in March each year.

The Chairperson serves a three-year term. Board Members also serve a three-year term; however two Board Members are required to retire each year in rotation but may offer themselves for re-election.

The Chairperson and Board Members may serve no more than nine consecutive years on the Board.

Staffing

The NZ Bridge Board is supported by a full time Secretary, a Bridge Development Officer whose responsibilities include Editor of New Zealand Bridge Magazine, Chairperson of Congress Sub Committee as well as Bridge Promotion initiatives.

Chief Director

The Board also appoints a Chief Director with responsibilities for the:-

- Administration of Laws and Practices
- Conduct of the Game
- Supervision of players and qualified Directors

Conference

Conference is a twice-yearly meeting of Members of the Board, Regional Committee Chairs (or alternates), the Secretary and the Chief Director.

One of the primary functions of Conference is the consideration of Remits recommended by Regional Committees or by the Board.

Annual Meeting

The Annual Meeting of NZ Bridge may be attended by any member of an Affiliated Club, but speaking rights and voting rights may be exercised only by authorised Club delegates. Any matter for determination by the Annual Meeting shall be resolved by formal ballot, when requested, with each Affiliated Club having a weighted voting entitlement in proportion to that Club's Home Club membership. Clubs may appoint a delegate to represent them at the Annual Meeting, including the Chairperson, Board Member or other attendee, and may provide written direction to that person as to how to cast its vote(s) on any matter for determination.

Finance

NZ Bridge obtains its finance from the levy paid by all Clubs on their membership as shown on the Masterpoint Database as at 31 March and from the Master Point Scheme operated for Tournaments and Club playing sessions. Substantial income is needed by NZ Bridge to finance services to Clubs, and overseas and internal tours undertaken by its representatives, and to finance its administrative activities.

Regional Committees obtain their finance from part of the levy determined by the Board, paid by all Clubs in their Region on their membership figures, and from a share of the Masterpoint revenue raised from their Region.

Master Point Scheme

Being an Affiliated Club entitles that Club to run a 3A Point or 5A Point Open Tournament each calendar year as well as B Point Tournaments. In accordance with the rules specified for the Masterpoint Scheme (Part E) all sessions other than teaching sessions shall be submitted for the award of Master Points according to the scales published in Part E.

REGIONAL COMMITTEE FUNCTIONS

Seven Regional Committees

Auckland / Northland

Waikato / Bay of Plenty

Central Districts

Wellington

Top of the South

Canterbury

Otago / Southland

The Regional Committees were formed:

1. To provide a local link between Regional Clubs and the National Body.
2. To co-ordinate the activities of Clubs by arranging Tournament Schedules, inter-Club play etc.
3. To organise Trials to select Representative Regional Interprovincial Teams, New Zealand Club Championship and any other Representative Team required e.g. visits by overseas Teams.
4. To provide a source of experienced advice and assistance to Clubs.
5. To provide a unified body for the promotion, support and co-ordination of the game in a regional context.
6. To allocate and have responsibility for Regional Tournaments and any 15A and above Tournaments delegated to the Region by NZ Bridge.

The Regional Committee has as its main role the organisation of bridge at the level between Clubs and NZ Bridge. As such, it acts as a link between Regional Clubs and the National Body at the local level. The Regional Committee does not necessarily aim to arrange or organise bridge at the individual Club level.

Finance

Funding of Regional Committees is financed by a levy from NZ Bridge calculated on the membership of each Affiliated Club in its Region as shown on the Masterpoint Database as of 31st March each year and from a share of Masterpoint Revenue raised from its Region.

Membership

Clubs elect the nominees to their Regional Committee every two years and have a weighted voting right in proportion to their Home Club membership. The Board of NZ Bridge then formally appoints the Regional Committee, which fulfils the responsibilities described above.

Regional Committee members do not represent their Clubs on the Committee; neither do they seek membership of the Regional Committee to represent their Club or Clubs. They accept a position on the Regional Committee to "manage" bridge throughout the district.

Liaison between Clubs and Regional Committee

Schedules of Tournaments and their results must be sent to the Regional Committee, and this includes Club, Regional and New Zealand Tournaments run by Clubs in the district.

All changes in office bearers and their telephone numbers should also be notified to the Regional Committee.

All Remits proposed by Clubs must be sent to the Regional Committee for its endorsement.

MANDATE AND PROCEDURE FOR RECORDERS

The Board of NZ Bridge under Rule 15.5 delegates to the Chief Director the responsibility for securing the services of a Recorder or Recorders for the control and management of the Recorder Process under this Mandate and in accordance with these procedures.

The Interprovincial Championships are contested in five divisions: Open, Women, Senior, Intermediate and Youth.

To be eligible to compete in the Intermediate event, a Player must be of Intermediate or Junior rank when the Master Point Gradings for the same calendar year are published.

To be eligible to compete in the Senior event, a Player must have their 60th birthday in the same calendar year as, or earlier than, the year of the Championships. This age is the same as WBF Senior eligibility.

To be eligible to compete in the Youth event, a Player must be aged 25 years or younger during the calendar year in which the Championships are being held. This age differs from the New Zealand National Trials and WBF eligibility.

Seven Regions may field Teams in each category:

- Top of the South
- Canterbury
- Otago/Southland

Each Region is free to use whatever method of trial or selection to determine the composition of its Team as it sees fit.

Residency

Players must be a member of a Club in the Region for which they wish to play. Players who belong to Clubs in more than one Region can trial for only one Region each year and must play regularly in a Club of the Region for which they trial. These requirements do not apply to the Youth Championships.

Intermediate: All Pairs must play systems that comply with the NZ Bridge Regulations for Intermediate Tournaments.

Open, Women, Senior and Youth: Pairs are not restricted in their choice of systems or conventions.

System Cards

Fully completed NZ Bridge System Cards must be carried. A Template may be downloaded from the Tournaments section of the NZ Bridge website at www.nzbridge.co.nz.

RULES FOR NEW ZEALAND NATIONAL RUBBER BRIDGE COMPETITION

(Effective 1 April 2010)

1. Matches

All matches are to be played under the rules laid down in The Laws of Duplicate Bridge 2007. Although not mentioned in those Laws, Honours can be claimed (150 for 4 aces in one hand at NT, 150 for AKQJ10 of trumps in one hand and 100 for 4 of the top 5 trumps in one hand). Honours must be claimed before either side has made a call on the next deal.

2. Formats

Formats are up to the individual Regions to organise but should fall within one of the following two methods:

- (a) A one-venue event held over a day or a weekend. In this case, a Pair must not have more than one bye and, if numbers are awkward, the event may be run with one or both of the following two features:

(i) **Closest Loser(s)**

In this case, the Pair who lost by the closest margin may be allowed through to fill out the draw, e.g. 14 pairs could produce 7 winners and 1 closest loser to make a full draw of 8 Pairs for the quarter finals.

(ii) **Repechage**

In this case, first-round losers play a series of short matches to allow one or two to get back into the event, e.g. 24 Pairs would reduce to 12 winners, who play off for 6 quarter-final places, and 12 losers, who play a series of 10-board matches for the other 2 quarter-final places.

In either case, any draw that puts two Pairs together who have previously met will be declared invalid and completely redrawn, unless the competition has progressed to a stage where it is impossible to avoid Pairs meeting again.

- (b) An event held over a longer period of time, generally in people's homes. Early rounds can be drawn with a geographical bias, to reduce travelling. If there is a substantial difference in numbers from various areas, the Regional Committee may permit a format that effectively gives a Pair more than one bye. Under this format, there can be no closest losers or repechage as in (i) or (ii).

3. Length of Matches

All matches will be of 30 deals, unless there is a good cause, such as a repechage, to run shorter matches. A passed-in hand constitutes a deal.

4. Incomplete Rubbers

If at the end of the specified length of the match a rubber is not finished, the score is computed as follows: If only one game has been completed the winners of that game will be credited with 300 points: if only one side has a part score (or part scores) in a game not completed that side is credited with 100 points.

5. **Tie Breaks**

Ties at the end of the match will be resolved by the addition of two deals to the length of the match. This means that contestants retain all the conditions of the match as at the end of the last board, e.g. the dealer, vulnerability, scores below and above the line (but not the bonus points computed for an incomplete rubber at that stage) etc, and play a further two deals. The score is then recalculated including the bonus points for an incomplete rubber, if any. If the scores remain tied, the procedure is repeated. In effect, the tie break is a continuation of the match for a further two deals each time, until a winner is found.

Some formats may require the resolution of ties between Pairs who have not been in direct competition. One example of this would be a format where the closest loser also survived to the next round. If there was a tie between two or more Pairs for such a qualification, it is to be resolved by tossing a coin or drawing lots.

6. **Slow Play**

In a type (a) one-venue format, the timing of the event may be disrupted by excessively slow play. If this happens, the organisers must not shorten any matches, but can use the following measures to encourage participants to maintain a reasonable speed of play:

- (a) A penalty may be imposed on one or both Pairs in a match, which would take effect from the start of the next match. A standard penalty would be approximately 300 points, but this is only a guideline that can be varied by the Director, taking into account each individual case. For example, if the Director deems that the responsibility for slow play in a quarter-final is being, or was, equally shared, he/she may rule that the winner of the match will start the semi-final with a deficit of 300 points. If the Director believes one Pair to be mostly responsible for the slow play in question, then he/she can rule that the penalty will apply only if that Pair wins the match.
- (b) The Director can file a report to the Region giving details of the incident and recommending that the Region not accept entries from this Pair for the Rubber Bridge Knockout in the following year. The Director may also warn Players that such an action may be taken if their speed of play does not improve.

7. **Substitutes**

Format (a) events

These are one-venue events and include the play-offs at National Congress.

The Director may approve a substitute for one match or part thereof. Should that Pair win the match but then still be unable to continue, then the substitution will be revoked and the other Pair will proceed to the next round.

Format (b) events

These events are held at times to suit the Players and often in private homes.

No substitutes will be allowed under any circumstances. Pairs who are unable to complete their match within the allocated time frame will forfeit their match and their opponents will progress to the next round.

8. National Finals

The winning Pair in each Region progresses to the National Final held at the Hamilton Congress. In the Region with the largest number of entries, the beaten finalist will also qualify for the National Final. If there is a tie for the largest number of entries between two or more Regions, it will be broken by random lot.

9. Replacement Pairs

Should a Player or Players become unavailable to play in the National Finals after having qualified for them, the Pair will be replaced using the following method:

- (a) If the Pair came from a Region with only one Pair in the National Finals, they will be replaced by the beaten finalists.
- (b) If the Pair came from a Region with two Pairs in the National Finals, they will be replaced by the beaten finalists in the Region with the third-largest entries.

In both cases, if that Pair is unavailable (even if it is because they are already replacing another Pair), there will be no further replacement and the National Finals will proceed with less than eight Pairs.

SYSTEM REGULATIONS FOR NATIONAL RUBBER BRIDGE COMPETITION

(Effective 1 January 2005)

1. The objective is to allow methods that could be used by **any** two Players forming a partnership for the first time for a game of Rubber.

Only systems that are allowed to be played in Junior Tournaments can be used (**D3–D6**).

2. Contestants are expected to follow the intention and "spirit" of the Regulations.
3. Before the start of the match, Players should agree as far as practical on the legality of their opponents' system. If unsure of the legality of any bid or method, the contestants, before the match starts, should:
 - In a type (a) event, consult with the Director;
 - In a type (b) event, consult with any Director.

Penalties

Should it be ruled that a Pair has used an unauthorised convention and attention is drawn to it immediately, the non-offending Pair will have the choice (after completion of the hand) of:

- (a) 200 points above the line and the result cancelled, **or**
- (b) The result on the hand plus an additional 100 points above the line.

In either case, it will count as a played hand.

If attention is drawn to the irregularity after either non-offending Player looks at his/her cards on the next deal, then only penalty (b) can be applied.

If attention is drawn to the matter after Players have left the table at the end of the match, **no** penalty will be applied unless no Director is present, in which case it should be drawn to the attention of the Regional Committee at the earliest practical opportunity.

The penalty provisions in the Regulations should be implemented only for a gross breach that leads to damage.

QUALIFICATION TO REPRESENT NEW ZEALAND IN INTERNATIONAL MATCHES

1. Qualification to represent New Zealand requires financial membership of an Affiliated Club on the closing date of entry to the selection process and Players must be:
 - (a) Born in New Zealand, **or**
 - (b) A New Zealand citizen, **or**
 - (c) A bona-fide resident of New Zealand.

Clause **(c)** should be further defined as having residence in New Zealand for at least nine months of the year immediately preceding the closing date of entry to the trials.

2. When a Player previously eligible to represent New Zealand attempts to represent another country, that Player will be ineligible to represent New Zealand the following calendar year and must re-qualify on the same basis as Clause **(c)** above.
3. Any Player who, in the sole opinion of the Board of NZ Bridge, has represented another country in an international bridge event or who has changed nationality or acquired a new nationality shall not be eligible to represent New Zealand until two years after he/she last represented the other country and then only if he/she has fulfilled the residency criteria set out in Clause **(c)** above.
4. Any WBF or Asia Cup requirements would override 1 to 3 above if more onerous.
